Was too late.

In one instance the Coelevsox pulled off some real "back lot stuff." Spencer was on second and Bauer on first when Davie hit a long single. Spencer reached for third and Abbott, who was coaching, held him there while Bauer rounded second and went to third. When he got there he found Spencer still on the bag with the ball in the hands of Roberts. Roberts ran down to third and put the ball on Bauer.

The best race of the card was the sixmile class A race. McNeil took the jump and held it for three laps, but his motor did not work right and he was passed by both Whittler and Brodbeck, with Whittler well in the lead. Whittler, the best rider at the track kept about fifteen yards ahead of Brodbeck all the way until the next to the last lap, when Brodbeck surprised him and gained such a lead that Whittler was unable to overhaul him, although he rode hard in the last lap.

In the first three-mile class B race, McCall took the lead on the first lap and continued to widen the gap between himself and the second man, until at the finish he was thirty yards ahead of Rognon, who was a similar distance in front of Duckworth.

The three-mile point race went to Vic.

The three-inile point race went to Vic Bernstrom, with Brodbeck second and McNeil third. McNeil's machine behaved badly all evening and he finished poorly in every event which he entered. This race was run in three heats. The winner in each heat was given three heats, second man two and third one. Bernstrom took first in all three heats and Brodbeck second. The summary:
